

DANCE OF THE DEAD

# CODE OF CONDUCT

*Dance of the Dead LARP is a place where people of many cultures, ages, interests, and backgrounds assemble to roleplay and explore. This code of conduct exists to ensure that play happens as safely as possible. We expect everyone to follow this code (and Singapore law) during the game and online to make Dance of the Dead a safe environment for fellow participants.*

## **ADULTS ONLY:**

All participants must be at least 18 years old to play. No minors are allowed.

## **CIVILITY:**

What happens in the game, stays in the game. Void Deck Games reserves the right to refuse service and remove players who are being disruptive, abusive and/or pose a danger to themselves, other players or staff, without issuing a refund.

## **PRIVACY:**

Respect your fellow players. Respect everyone's personal space.

## **IMAGING:**

You will be playing a game where photography and video recording may occur, and consent to the material to be released for publicity.

## **HARASSMENT:**

No harassment of fellow participants and staff. Void Deck Games is a diverse community that welcomes all ethnicities, genders, religions, sexual orientations and national origins.

## **SAFETY:**

Do not endanger yourself or others by running, jumping or climbing up structures while playing the game. If a person makes you feel unsafe or uncomfortable, tell them immediately to *stop*, before contacting a Storyteller or Coordinator. If you have been triggered and need to step out of character, we have an easily accessible decompression room for everyone to use.

## **INTOXICANTS:**

Dance of the Dead is an alcohol-free LARP. Do not attend the game if you are intoxicated.

## **CONTACT:**

All physical contact must be consensual. Seek verbal consent before engaging another person in a scene.

## **BLOOD:**

For safety reasons, actually drinking or using real blood, or similar stunts that may break laws or cause physical harm are specifically not allowed. If in doubt, clear it with the Executive Team first.

## **WEAPONS:**

No actual weapons are allowed. Costume weapons must be cleared with Void Deck Games via email before the game.

## **DRESS CODE:**

Costuming is encouraged. When in doubt, wear black.
